Multipurpose Hall, SEGi University
14th - 18th March 2022

SEGi
University

SEGi
College
Kota Damansara

► **PROF. AZRIN E. ARIFFIN**

*Deputy Vice Chancellor (Student Affairs)
Chairman, Graduation Committee*

Dear Graduates

The starting point of your academic journey allowed you to get a feel of campus life and gave you the opportunity to create moments to treasure. You have since waited for the day when you can walk up the stage to be conferred a qualification as a graduate of SEGi University. The wait was long for some of you who were supposed to attend your graduation ceremony in March 2020. It was totally out of our hands.

And that was when we were hit by this global pandemic. We had to grapple with the impacts of the pandemic on our lives and our families. While some waited long to attend their graduation ceremony, some had to adapt to technology to complete their studies.

Although these uncertain times have brought challenges to everyone, on a positive note we have all had the opportunity to pause and reflect upon what is truly essential in our lives. It has allowed many of us to spend more time with our loved ones in the past few months than we have done in years. It also made some of us aware of our loved ones whom we might have forgotten prior to the pandemic.

You faced it! You made it! You are bold! Bold to face what is ahead of you in the next phase of your life be it in your career, further studies or social networking. You will enjoy the greatest ever scale of freedom in the next sojourn of your life.

From now on you will have many academic and life decisions to make. The roads ahead might be a little different for you from those of your peers – leaving university means parting from the community in which you have spent your academic time and, this could involve starting a new life in a different environment.

Never give up on what you embark on and always strive for success.

Congratulations to all of you.

► **ASSOC. PROF.
NORMAN CHU SU JIUN**
Principal, SEGi College Kota Damansara

Dear Graduates,

Graduating from your respective Diploma programmes from SEGi College Kota Damansara, is not the end but a continuous drive for lifelong learning. You embarked to start your academic journey by pursuing your Diploma 3 or probably 5 years ago if you completed in Dec 2019. And you did it!

I believe your academic journey with us was fulfilling and has provided the motivation for you to excel, either in the job market or for furthering your studies. Some of you are probably pursuing your degree under SEGi University currently. I am glad to know that you are still a part of SEGi @ KD.

For some, you are probably at a cross road on deciding whether to work or further your studies. Our advice to you is evaluate the current job market and your financial sustainability. If you are strong and determined on your direction, seek avenues for support and guidance. In you, the best is always made possible.

We have overcome almost 2 years of challenges with the pandemic that started in 2020: having to complete our studies via online, bleak job market, loss of employment, loss of income, to name just a few, but YOU pulled through with your own strength, family and college support. And moving on to the next hurdle of your studies or work, this experience will make you more confident in your decision later on.

I congratulate you on making it this far. Keep that drive going till you feel the accomplishment of your journey.

► THE MACE

In medieval times, the Mace was a weapon employed to safeguard a person of great importance. Now, it is often used in convocation ceremonies to signify the dignity and authority of the Chancellor.

The Mace is 42 inches in total length. It has a 29-inch nyatoh wood Shaft with a metallic band at its midpoint. The Shaft has a smaller 1.25-inch diameter on the lower end and a larger 1.50-inch upper diameter. It symbolises SEGi's aspiration to grow in knowledge and in strength.

The four gold plated rings above the Shaft denote SEGi's core values: Quality, Passion, Vibrant and Caring. This is followed by the inscribed word 'SEGi' sitting above the four rings.

The six palm leaves in 24-carat gold plating inscribed in the Bowl represent the six SEGi campuses. Each leaf has veins that denote the diversity of programmes offered. Above this bowl are sets of three rings representing SEGi's vision, mission, and goals.

The brass and nickel-plated, diamond-shaped Body with the SEGi logo signifies the highly competent graduates produced by SEGi. At the head of the diamond-shaped Body is a pewter and gold plated Crest, a Crescent and a 14-pointed Federal Star in 24-carat gold plating.

The whole ensemble at the top of the Mace represents the heraldic practices embodied in the SEGi convocation. It is also symbolic of SEGi upholding the supremacy of the Malaysian constitution.

DEDICATED TO ALL PARENTS

When I am down and, oh, my soul, so weary;
When troubles come and my heart burdened be;
Then I am still and wait here in the silence,
Until you come and sit awhile with me.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

There is no life - no life without its hunger;
Each restless heart beats so imperfectly;
But when you come and I am filled with wonder,
Sometimes, I think I glimpse eternity.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.
You raise me up to more than I can be.
