# INTERNATIONAL STUDENT MOBILITY PROGRAMME: MALAYSIA NATURE ODYSSEY: A CULTURAL AND SCENIC ADVENTURE

This mobility programme offers a once-in-a-lifetime opportunity to explore the breathtaking natural landscapes and diverse cultures of Malaysia. From the lush rainforests and pristine beaches to vibrant cityscapes, this programme allows participants to experience the best of both nature and culture. Immerse yourself in Malaysia's harmonious multi-ethnic society, where diverse traditions, languages, and customs blend seamlessly. Through cultural exchanges, workshops, and scenic explorations, you'll gain a deeper appreciation of Malaysia's unique beauty and its rich cultural tapestry.

 **6 DAYS 5 NIGHTS**  
 **4 - 9 AUGUST 2025**  
 **KUALA LUMPUR &  
SELANGOR, MALAYSIA**

## ECOLOGICAL AWARENESS

Gain a deeper understanding of Malaysia's diverse ecosystems and the importance of environmental conservation. Learn how small actions can lead to a significant impact in preserving the planet for future generations.

## NATURE IMMERSION

Explore Malaysia's natural beauty through hands-on experiences in lush rainforests, serene beaches, and vibrant paddy fields. Engage with local biodiversity and deepen your appreciation for nature's wonders.

## SUSTAINABLE PRACTICES

Learn how to integrate eco-friendly practices into daily life through activities like river clean-ups, beach conservation efforts, and workshops on sustainable tourism.

## HANDS-ON LEARNING

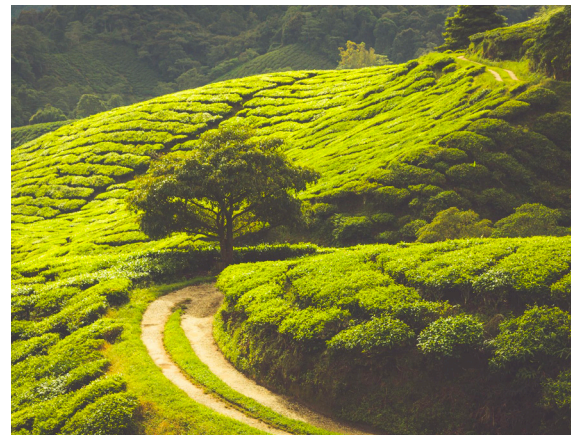

Experience field studies and practical learning that bring environmental concepts to life. These experiences foster a greater understanding of environmental conservation and sustainability.

## COMMUNITY ENGAGEMENT

Get involved in local projects aimed at environmental sustainability, cultural preservation, and community growth. This engagement fosters global citizenship and a commitment to making a difference.

## NETWORKING OPPORTUNITIES

Connect with like-minded peers and local communities through workshops and social events. Build lasting friendships and expand your global network, enhancing your future career opportunities.

## ITINERARY

DAY	ACTIVITIES
Day 1	Airport Pick-Up; Briefings; Student Cultural Exchange Activity; Workshop on Nature Protection
Day 2	Talk on the Ecological of Mangrove Forest; Talk on 3R (Reduce, Reuse, Recycle) in Our Daily Life; An Introduction to Island Tourism of Malaysia
